

## How to Make a Piñata

### Materials:

Water  
Flour  
Ballon  
Newspaper (cut into strips)  
Paint  
Tissue paper  
Scissors  
x-acto  
twine  
Glue  
candy

**Step 1** – Mix one part water with one part flour to create paste.

**Step 2** – Blow up balloon and cut newspaper into strips.

**Step 3** – Dip newspaper strip into paste, squeezing off excess paste. Apply to balloon.

**Step 4** – Repeat Step 3, layering newspaper on until the balloon is covered three to four layers deep. Leave an opening at the top for candy.

Cover balloon leaving space at the top

Fold tissue paper

Cut strips of tissue paper

Make slits for garland

**Step 5** – Let dry for at least 24 hours. Then pop the balloon and decorate using paint, tissue paper... your choice!

Glue garland onto balloon

Cover entire balloon except top

**Step 6** – Make holes using x-acto knife for hanging twine. Fill with candy. Hang and enjoy!
